Training Related Issues

- Date of submission of Training Progress Report is 5th of every month, but report is not provided by district timely and thus causing delay in giving report to GOI
- All training expenditure report is not covered in FMR.
- As per the opening balance of April 2013, the fund can be utilized by conducting training. For this purpose a tentative training plan is mailed to all the districts. **Also letter from Mission Director (577 (MD) Dated: 29-4-13** is given to all the district regarding utilization of available fund by conducting trainings
